Pricing for photos by David Cary, (effective June 2011, subject to change)

Before ordering, please read these notes:

The photos on display are in the following sizes: 12 x 18, 16x20, and 20x30. While the larger photos can be printed in a smaller size, not all of the smaller photos can be enlarged to larger sizes. Also, photos that are in the 2x3 ratio (12x18 and 20x30) might not work as an 16x20. The 16x20 images can be printed in the 2x3 ratio but there will be additional image on the sides of the image (the originals are in the 2x3 format, the photos were cropped to make them 16x20).

Purchasing will give you the right to display the photo either in your home or business. However, the rights do not extend to copying or making duplicates of the photos, publishing them in hard copy or on the internet without additional written approval and compensation. I maintain the copyright for all purposes.

I currently do not have the ability to ship framed photos. If you are in the Los Angeles or Washington, DC area we can see if we can arrange for you to pick up the framed photos or I might be able to deliver them at an additional fee. Prints in sizes of 16x20 and/or 20x30 will be delivered rolled in a mailing tube. There is a charge of \$10 per order for the shipping. Prints in the size of 12x18 will be shipped in a flat envelope with cardboard on both sides of the envelope for a charge of \$8 per order. All care will be taken to protect the photos, but that is subject to Post Office or delivery service control.

If you order more than one print, there is a 10% discount for any additional prints. If the prints have different prices, the discount is given on the lowest price photos.

For California residents a 9.75% sales tax will be added to the price of the photos but not to the shipping or other delivery charges.

Finally, I travel a lot. When I am camping in Alaska, usually every July, I will be unavailable by email or phone for 7-10 days. I am frequently out of the country with limited email access. If you email me and don't hear back in a few days, please feel free to send a follow-up, but don't be overly concerned unless it has been over a week.
